GET STARTED

01.

Download Blast Putt from the App Store and install it on your device.

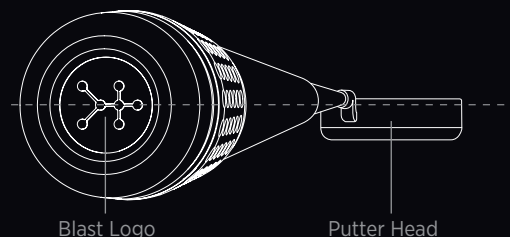

02.

Place the sensor in the attachment.

- a. Stretch the putt attachment over the putter grip.*
- b. Press the sensor into the top of the putter attachment.*

03.

Align the top of the Blast logo with the face of the putter head.

04.

Start the app and sign up as a new user.

**Sensors are shipped charged, but recharging the sensor prior to first use is advised.*

05.

Wake the sensor to pair it with your device.

- a. Point the grip of the club to the ground for two seconds.*
- b. Then hold the putter upright, with the club head close to the ground.*

06.

Putt You can take practice strokes, make contact with the ball to start recording.
