Re: VXi Corporation
FCC ID: **SOM-203815**
FCC Part 15 Certification
Confidentiality Request

Gentlemen:

This letter is to comply with 47 CFR 0.457 and 0.459 pertaining to confidentiality material. VXi Corporation requests that the following documents regarding this submission for FCC ID: **SOM-203815** be kept confidential:

Exhibit Type	File Name
Block Diagram	Block Diagram.pdf
Schematics	Schematic.pdf
Operational Description	Operation Description.pdf

Those documents contain detailed system and equipment description and related information about the product which VXi Corporation considers to be confidential proprietary, a custom design and, otherwise, not releasable to the general public. Since this design is a basis form which future technological products will evolve, VXi Corporation considers this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Thank you for your attention to this matter.

Yours Sincerely,
