Battery connector

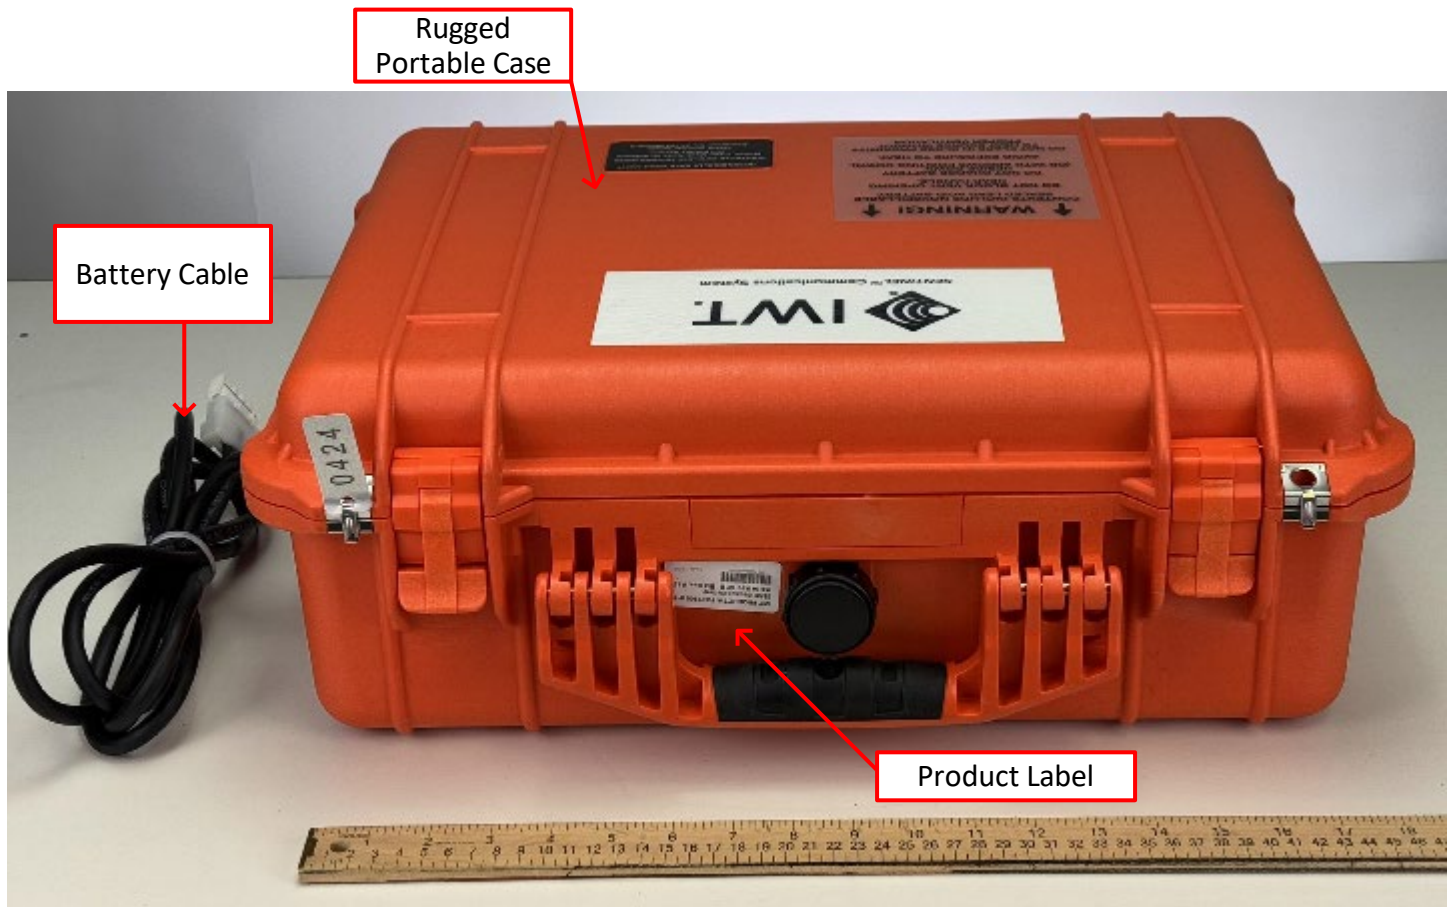

FAP9100-035 ALKALINE BATTERY - FRONT VIEW

FAP9100-035 External battery can be used with the products tabulated below.

IWT Product Number	Acronym	No. of gas modules	Battery configuration
FAP4213-090	BMN	0	External
FAP4913-090	WGM+	1	External

FAP9100-010 SEALED LEAD ACID BATTERY - FRONT VIEW

FAP9100-010 External battery can be used with the products tabulated below.

IWT Product Number	Acronym	No. of gas modules	Battery configuration
FAP4213-090	BMN	0	External
FAP4913-090	WGM+	1	External
