Subject: Ad Hoc Mode Function Declaration

FCC ID: SQG-LWBPLUS
IC: 3147A-LWBPLUS

To Whom it may concern,

We, Laird Connectivity, LLC declare that the device does not support any non-US channels, country code selection in all the operational mode(s), like Ad-Hoc...etc. for the following product. Also, the client software and associated drivers will not initiate any transmission on DFS frequencies without initiation by a master and the device without support DFS detection capability. This includes restriction on transmissions for beacons and support for ad-hoc peer-to-peer modes.

Regards,

A handwritten signature in dark ink, appearing to read "B. Petted", is written over a light gray background. Below the signature, there is a small white rectangular box containing the number "832729652416". To the right of the signature, the "Laird CONNECTIVITY" logo is visible.
