Gentlemen:

In accordance with 0.459 of CFR 47, T&D CORPORATION hereby requests confidentiality of the Block diagram (Attachment I), Parts list, Adjustment procedure and Schematic Diagrams (Attachment J) in the attached test report.

These documents contain detailed system and equipment description and related information about the product which T&D CORPORATION considers to be proprietary, confidential, and a custom design and, otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, T&D CORPORATION considers this information to be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,

Akemi Oana
