Re: ZTE Corporation  
FCC ID: SRQ-A210  
FCC Certification Confidentiality Request

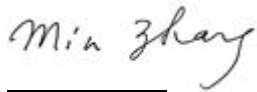

Gentlemen:

This letter is to comply with 47 CFR 0.457 and 0.459 pertaining to confidentiality material. ZTE Corporation requests that the following documents regarding this submission for FCC ID: SRQ-A210 be kept confidential:

| <b>Exhibit Type</b>     | <b>File Name</b>                                    |
|-------------------------|-----------------------------------------------------|
| Block Diagram           | CONF APPENDIX SRQ-A210_Block Diagram.pdf            |
| Schematics              | CONF APPENDIX SRQ-A210 _Schematics.pdf              |
| Operational Description | CONF APPENDIX SRQ-A210 _Operational Description.pdf |
| Tune-Up-Procedure       | CONF APPENDIX SRQ-A210 _Tune up procedure.pdf       |
| Part list               | CONF APPENDIX SRQ-A210 _BOM.pdf                     |

Those documents contain detailed system and equipment description and related information about the product which ZTE Corporation considers to be confidential proprietary, a custom design and, otherwise, not releasable to the general public. Since this design is a basis form which future technological products will evolve, ZTE Corporation considers this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Yours Sincerely,

Zhang min
