

Ubiquiti Networks, Inc.

2580 Orchard Parkway

San Jose, CA 95131

To Whom it may concern,

Professional Installation Justification:

Ubiquiti Networks, Inc. declares that the AMG-PRO (FCC ID: SWX-AMGPRO) units are sold to wireless equipment providers and require a professional installation. The installers have to follow the assembly instruction and login to enable the radio. Let radio work at right condition.

A handwritten signature in blue ink that reads "Ted Hsiao". The signature is written in a cursive, slightly slanted style.
