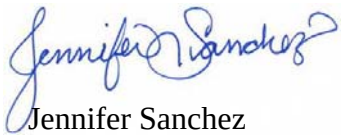
RE: Ubiquiti Networks, FCC ID: SWX-LS2T

To Whom It May Concern:

MET Laboratories, Inc. would like to request the above FCC ID be placed in audit mode so that we may upload the Modular Approval Letter exhibit. The Modular Approval Letter was inadvertently left out of the original e-filing. The grants notes will be updated to reflect the Modular Approval.

If you need any additional information, please let me know.

Thank you,



Jennifer Sanchez
