RE: FCC Class II Permissive change for FCC ID: SWX-PBE5AC
(Original Grant Date: 5/22/2015)

Dear Sir or Madam:

Ubiquiti Networks is submitting an application for Class II Permissive Change to the PowerBeam 5 AC, PBE-5AC, (FCC ID: SWX- PBE5AC). The commission on 5/22/2015 originally certified this product under FCC ID: SWX- PBE5AC.

There are no hardware or electrical modifications made to the applying wireless device. The original maximum power table has not changed. The permissive change is to update the professional installation power tables for all antennas listed in the original grant.

The changes filed under this application are: (list each change as a bullet point)

- Add UNII-1 and UNII-3 updated power table to the original grant.

Please contact me if you have any questions or need further information regarding this application.

Sincerely,

A handwritten signature in black ink, appearing to read 'Michael Taylor'.
