

Confidentiality Request Letter

Date: June 15, 2018

Federal Communications Commission

Authorization and Evaluation Division

Subject: Request for confidentiality

FCC ID: SWX-RM2W

To whom it may concern:

Pursuant to the provisions of Sections 0.457 and 0.459 of Commission's rules (47CFR§§0.457, 0.459), we are requesting the Commission to withhold the following attachment(s) as confidential document from public disclosure indefinitely.

1. Block Diagram
2. Schematics
3. Operational Description

These documents contain detailed system and equipment descriptions and related product information, which the manufacturer/applicant considers to be proprietary, confidential, and a custom design and otherwise, would not release to the public. Public disclosure the of above information would give competitors an undue advantage in the market.

In addition to above mentioned documents, pursuant to Public Notice DA 04-1705 of the Commission's policy, to comply with the marketing regulations in 47 CFT §2.803 and the importation rules in 47 CFR §2.1204, while ensuring that business sensitive information remains confidential until the actual marketing of newly authorized devices. We are request that the commission to grant short-term confidentiality on the following attachment(s) for 180 days after the grant as outlined in Public Notice DA 04-1705.

1. Internal Photographs
2. External Photographs
3. User's manual
4. Test Set up photos

It is understood that all test reports, FCC ID label and correspondence related to this certification review process cannot be granted permanent confidential status and that this information will be available for public review once the grant of equipment authorization is issued.
