

Portable
omnidirectional
antenna 450~470

Foshan Dai Bai communication
Technology Co., LTD

Vertical
polarization V

450~470MHz 2dBi Vertical polarization

Technical index	QT450GSB-T
Frequency range (MHz)	450~470
bandwidth(MHz)	20
Polarization mode	perpendicularity
gain (dBi)	2
Input impedance (Ω)	50
Voltage standing wave ratio	≤ 2
Maximum power (W)	20
Joint type	TNCJ
Antenna length (mm)	300
Antenna color	black
Antenna weight (g)	about 30
Limiting wind speed (km/h)	90
Operating temperature ($^{\circ}\text{C}$)	-40~75

Note: The antenna has an elastic whip structure
and is resistant to bending.
