

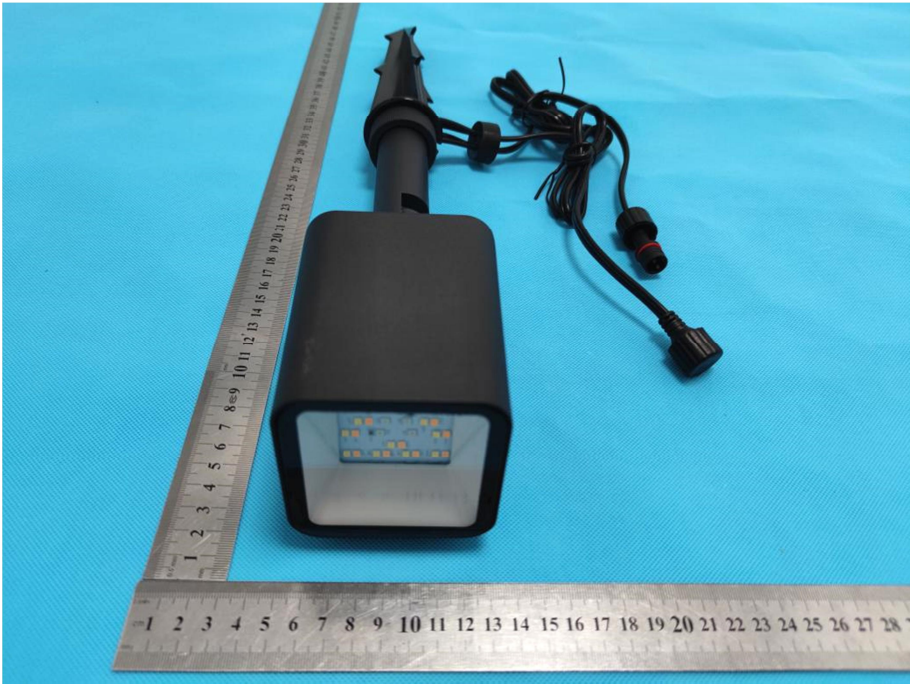

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

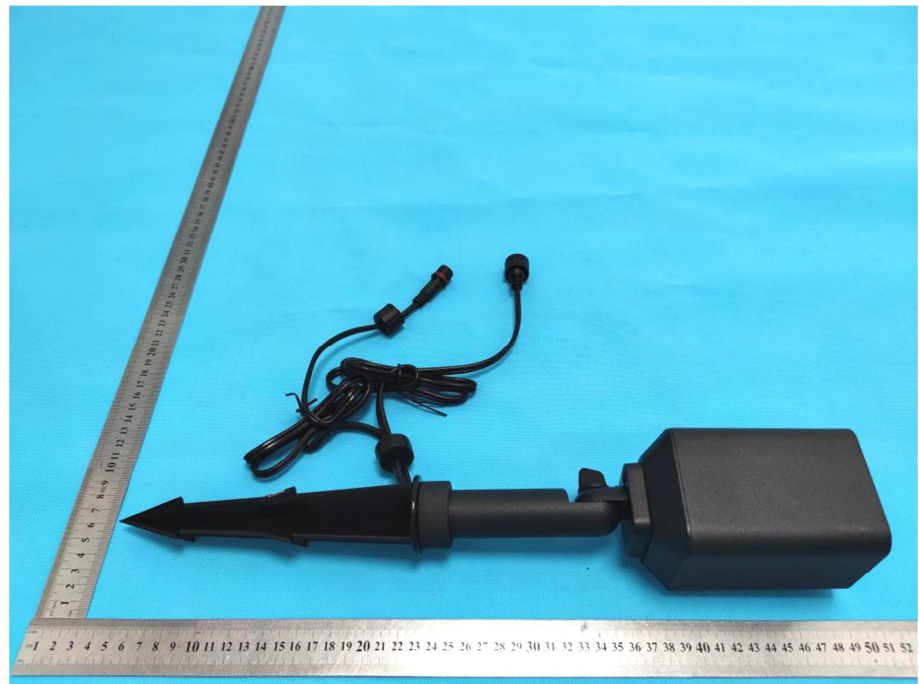

EUT View 1	 A photograph showing the External Under Test (EUT) device, a black rectangular unit with a vertical probe assembly, and its associated cables. The device is placed on a blue surface next to a metal ruler for scale. The ruler shows measurements in inches (0 to 12) and centimeters (0 to 30). The probe assembly is approximately 10 inches tall. There are three cables: a coiled black cable with a connector, a coiled black cable with a different connector, and a black cable with a rectangular power adapter.
EUT View 2	 A photograph showing the EUT device from a different angle, highlighting the probe assembly and the coiled cables. The device is placed on a blue surface next to a metal ruler for scale. The ruler shows measurements in inches (0 to 12) and centimeters (0 to 30). The probe assembly is approximately 10 inches tall.
