

RE: Label Statement

To whom it may concern,

The label is affixed to the TM-ZP050 (FCC ID: SZ9TM-ZP05X) is composed of a vinyl film substrate and attached with pressure sensitive permanent acrylic adhesive and is designed to last the lifetime of the product. The label is attached to the unit as shown in this photo:

Since the device is considered extremely small (less than 8x10cm) the following statement is included in the user manual instead of on the label.

"This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation."

The label has the following text that is large enough to be legible without the aid of magnification: FCC ID: SZ9TM-ZP05X, IC: 10940A- TMZP05X, Temperature@lert, Model Number: TM-ZP050

As show in the label design here (1.1"x 0.9"):
