

Model Number: G76LT

FCC ID: SZGG76LT

This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Note: The devices are too small to accommodate the FCC ID and also too small for the 15.19 statement. For this reason, the FCC ID and 15.19 statement will be on the packaging as shown above and also in the user manual.
