

Declaration letter

To whom it may concern

We, LDL TECHNOLOGY S.A.S., declare that the NB IoT interface supported by the cellular module (Model: ME910C1-WW, Manufacturer: TELIT) integrated in our TCU 1.2 4G Autolocation model 19239, has been disabled, and therefore has not been considered for testing and conformity assessment of the device.

Signed on behalf of LDL Technology S.A.S. by

A handwritten signature in blue ink, appearing to read 'Lefaure', with a long horizontal stroke extending to the right.
