Date of Original E-Mail: 01/25/2007

Subject: audit

Please insert remarks on grant certificate where appropriate

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of the original e-mail date may result in application dismissal pursuant to Section 2.917(c).

Response: We have revised the Grant with adding grant note.

Here is the grant note we added:

Power Listed is conducted. This device must be restricted to work related operations in an Occupational/Controlled RF exposure environment, not exceeding a maximum transmitting duty of 50%. To comply with the MPE limit and requirements, the antenna(s) used for this transmitter must be installed to provide a separation distance of at least 65 cm from all persons.
