Hello Chris,

Hope all is well. Please find enclosed an executed copy of the UTAM Subscriber Agreement, as well as the affidavit you will need to file with the FCC.

Please be reminded that the per radiating unit clearing fees of \$0.50 are to be paid to UTAM by the 21st of each month for each radiating unit shipped during the previous month. The fees should be forwarded to our bank, either by electronic transfer, or by check to our remittance address, which is UTAM, Inc., Dept. 3465; Washington, DC 20042-3465. If you elect to use electronic transfer please advise and I will provide you with the necessary banking information. If you transfer the fees by wire, please arrange to have an email sent to me to advise of the transfer to insure that it gets credited to the proper account.

Should you need anything else, or if I can be of assistance in any way, please do not hesitate to get in touch. Good luck with your product launch. I think that you will find the U.S. opportunity for these types of products quite large.

Regards,

UTAM, Inc.
