SUBJECT: CONFIDENTIALITY REQUEST FOR CERTIFICATION OF TCJ-M4BBDAUU

In accordance with Sections 0.457 and 0.459 of the Commission's Rules, Canam Technology Inc. hereby requests permanent confidential treatment of information accompanying this application as outlined below:

- Schematics
- Block Diagram
- Part List (Bill of Materials)
- Operation and Maintenance (O&M) Manual
- User's Manual
- Internal photos

The materials referenced above contain proprietary and confidential information that is not customarily disclosed to the public. Public release of this information would confer undue competitive advantage to third parties and compromise both the integrity of the equipment and the confidentiality of the associated documentation.

This product is a specialized, non-consumer device that is not intended for public access. It must be maintained in a secure environment and serviced exclusively by authorized professionals. This device will be sold to a limited institutional audience. The associated documents will be shared solely with Canam Technology, Inc. partners and system integrators for the purposes of service and maintenance, strictly under the terms of a Non-Disclosure Agreement (NDA). A sample NDA is included in this application for reference.

Yours sincerely,

Victor Bermudez
Vice President
