

A photograph of a black Atheros wireless network card. The card is populated with various surface-mount components, including resistors (labeled R87, R85, R72, R65, R63, R93, R81, R92, R90, R89, R79, R70, R53) and capacitors (labeled C201, C192). The Atheros logo, a stylized 'A' with a star-like shape, is embossed on the top half of the card. Below the logo, the text 'ATHEROS®', 'AR9344-BC2A', 'FU70226V', '1702', and 'CHINA' is printed in a sans-serif font. The card is mounted on a green printed circuit board (PCB) with visible gold-plated edge connectors.
