

The image shows the back of a white TP-Link TL-WR702N wireless router. The router has two external antennas and a large ventilation grille. A red rectangular box highlights the label on the back, which contains the following information: TP-LINK logo, Intelligent Wireless N Access Point, Model: TL-WR702N, Power: 10W (2.2dB), Default Settings: IP: 192.168.1.1, Username: admin, Password: admin, CE 1588, and various regulatory marks including ENEC, FCC, and RoHS. A ruler is visible on the left side of the router, and another ruler is at the bottom.
