A photograph of a green printed circuit board (PCB) with various components and a ruler for scale. The PCB is rectangular with several cutouts and features numerous silver-colored solder points and components. A white cable is connected to the top edge. A ruler is placed vertically on the left side, showing measurements from 0 to 100. The text "K079" is visible on the right side of the board.

The image shows a green PCB with a QWERTY keyboard layout. The board is populated with various electronic components, including capacitors, resistors, and integrated circuits. A ruler is placed below the board for scale. The text on the board includes "316090000-R", "100W LED DRIVER", and "Rev: 01".
