Subject: Missing FCC Statements in the User's Manual

Dear Sirs,

The Grantee hereby declares, that the user manuals ("Supplementary Sheet" for the SmartScan and "Installation Instructions" for the EasyScan USB) are both still in the draft status but both will be finalized prior marketing of these products to the USA.

The following statements as per CFR 47, §15.21 and §15.19(a) (3) will be included in a prominent location within the above mentioned documents:

"Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment."

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation

If you have any questions, please feel free to contact me.

Yours sincerely, in the name of Mettler-Toledo GmbH,
Chvi-Chen Chai
