RE: CONFIDENTIALITY REQUEST
Remington Eyeball R1 FCC ID TII-PDUR1 EA 639036

To Whom It May Concern:

This letter serves as an official request for confidentiality under FCC Rule Section 0.459. We hereby request that the following exhibits be protected as confidential-proprietary and be withheld from public inspection or review:

- Schematic Diagrams
- Block Diagrams
- Internal Photos

These materials are required to be submitted with this application. However, they contain company proprietary information protected by a confidentiality agreement between the applicant and its supplier. The exhibits contain valuable information licensed to the applicant. Were any of this information to become available to a competitor, it would compromise the integrity of the product, provide the competitor private company property and subject the applicant and its supplier to unfair competition.

Thank you for your cooperation. Please contact me for any further information you may need.

Sincerely,

Gregg P. Skall
