Dear Sir or Madam,

We, Elk Products, Inc., declare that the product which bears the above FCC ID and IC contains 2 model numbers:
ELK-6052, ELK-6053.

The RF specifications and hardware of these models are identical. The difference is: ELK-6052 contains the optic components for smoke detection and also a thermistor for heat detection. The ELK-6053 does not contain the smoke detection components.

Yours sincerely,

A handwritten signature in black ink, appearing to read "Donald Lamb". The signature is fluid and cursive.
