Subject: Antenna used with FCC ID: TMB-OSDI4W1 under limited modular Approval

To Whom it may concern,

For now, the two antennas we are certifying are the Larsen RO2406NM and the Mobile Mark CVS-2400. No other antenna configurations will be sold or used under this certification. Other antenna(s) configurations may be certified in the future as covered under a Class 2 permissive change or a future certification..

Sincerely,
