Application for Class II Permissive Change

Dear Sir/Madam:

We respectfully wish to apply for a Class II permissive change (C2PC) for the above referenced FCC Identifier under the provisions of FCC rule [§ 2.1043](#).

The purpose of this application is to add the following features or modifications to the existing initial certification:

1. To add the 2.4GHz spring antenna part number DD100006143 from Top Point Technology in the antenna list of approved antennas, as a monopole antenna.

Additionally, we introduce the following hardware modification for further production units:

- The pad size and solder mask of the 0201 components have been adjusted for ease in manufacturing; no RF characteristic change.

We confirm that all changes are within the boundaries of the [KDB 178919 D01 Permissive Change Policy v06](#).

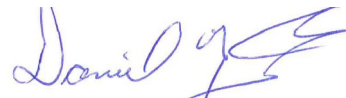

Test reports showing compliance are submitted with this application.

We certify that no party to this application is subject to a denial of federal benefits pursuant to Section 5301 of the Anti-Drug abuse Act of 1988.

Your prompt attention to this matter is appreciated. Please let me know if there are any questions or if further data is required.

Sincerely,

Signed by:
