

FCC ID: TNK03090TOS49M
MADE IN CHINA

The image shows a black racing steering wheel with a central console. The wheel has two large grips on the sides and a central hub. A label is attached to the top of the central hub, displaying the FCC ID and 'MADE IN CHINA'. The central console has a rectangular opening with a small slot at the top. The wheel is mounted on a base with several screws visible. A cable is attached to the top of the wheel.
