Dear Sir or Madam,

I, Michael D. Piciorgros of Funk-Electronic Piciorgros GmbH, Claudiastr. 5, Köln, 51149, Germany hereby request the Part II Permissive change for the TMO-100 450-470 MHz. The purpose of the application is to add Part 22 to the grant of certification as a customer requested it. However, no electronic changes were made to the device.

Sincerely,

Company Officer: Michael D. Piciorgros
