Subject: Equipment Authorization Application for Class II Permissive Change under FCC Part 15, Subpart C, Section 15.249, Low Power Transmitters Operating in the Frequency Band 902-928 MHz.

Applicant: Logitech Inc. - Canada
Product: Radio-Z Module
Model: L-ZM2102
FCC ID: TOB-LZM2102

Dear Sir/Madam,

As appointed agent for **Logitech Inc.**, we would like to submit this application for FCC Certification of the above product. Please review all necessary files uploaded to TIMCO Upload site.

This Class II Permissive Change pertains to the integration of the radio module with new antenna boards. The implementation does not affect the radio module; the Radio-Z module is identical in design and construction as the original filing. See schematics and internal photos exhibits for details of the new layout of the antenna boards.

If you have any queries, please do not hesitate to contact us.

Yours truly,

A handwritten signature in blue ink is written over a circular red stamp. The stamp contains the text "LICENSED PROFESSIONAL ENGINEER" around the top edge, "T.M. LUU" in the center, and "PROVINCE OF ONTARIO" around the bottom edge.
