RE: CONFIDENTIALITY REQUEST FOR SAFESCOUT Model SVI-MU-100 AND FCC
ID# TOW-MU-100

To Whom It May Concern:

This letter serves as an official request for confidentiality under FCC Rule Section 0.459. We have requested that the block diagram, schematic diagrams, technical description and all operational descriptive information, including operating frequencies required to be submitted with this application be withheld from public review. Since this is a security-based product, it is very important that technical information be kept confidential in order to maintain the security of our customers.

Please contact me if there is any information you may need.

Sincerely,

Steve Chick
VP, Engineering
