| <div><div>FCC STATEMENT</div><div><div>1. This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:</div><div><div>(1) This device may not cause harmful interference, and</div><div>(2) This device must accept any interference received, including interference that may cause undesired operation.</div></div></div><div>2. Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.</div></div> <div><div>NOTE:</div><div>This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:</div><div>Reorient or relocate the receiving antenna.<br/>Increase the separation between the equipment and receiver.<br/>Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.<br/>Consult the dealer or an experienced radio/TV technician for help.</div></div> <div><div>RF warning statement:</div><div>The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.</div></div> <div><div>5</div></div> | <div><div>ISED WARNING</div><div><div>This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:</div><div><div>(1) This device may not cause interference.</div><div>(2) This device must accept any interference, including interference that may cause undesired operation of the device.</div></div></div><div><div>L'émetteur/récepteur exempt de licence contenu dans le présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence.</div><div>L'exploitation est autorisée aux deux conditions suivantes:</div><div><div>(1) L'appareil ne doit pas produire de brouillage, et</div><div>(2) L'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.</div></div></div><div><div>1. Cleaning Instructions:</div><div>Before cleaning, always unplug the device from the computer's USB port. Clean the surface with a soft, dry cloth. For stubborn dirt, use a cloth that is slightly dampened with water. Do not use chemical agents or solvents. Ensure the devices are completely dry before reconnecting them.</div><div><div>2. Ergonomic Health and Safety Guidelines:</div><div>Incorrect or prolonged use of computer equipment can lead to discomfort, fatigue, headaches and serious long-term injuries known as musculoskeletal disorders (MSDs). Please take relaxation breaks every 30-60 minutes.</div><div><div>3. WARNING:</div><div>The product is not a toy. Please keep it out of reach of small children. The product contains small components that may pose a choking hazard.</div></div></div><div><div>6</div></div></div></div> | <div><div>BATTERY SAFETY GUIDELINES</div><div>DO NOT replace the battery with a different model.<br/>DO NOT use this product if the battery shows signs of damage including, but not limited to tearing, deformation, leakage, or the smell of electrolytic material.<br/>DO NOT touch the battery if material is leaking and seek immediate medical attention if any material comes into contact with your skin or eyes.<br/>DO NOT expose the battery to liquid, heat sources, electricity (outside of the product itself), or other non-standard operating condition.<br/>DO NOT impact, bend, abuse, disassemble, or otherwise damage the battery as the contents are volatile, hazardous, and can be harmful.</div></div> <div><div>CAUTION</div><div>Falling to follow all safety guidelines may result product damage, explosion, fire, and/or electric shock.</div></div> <div><div>7</div></div>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          | <div><div>DE</div></div> <div><div>Lieber Nutzer/liebe Nutzerin,</div><div>vielen Dank, dass Sie sich für die Marke <b>REDRAGON</b> entschieden haben. Zum Schutz Ihrer Rechte und für den verbesserten Kundendienst bitten wir Sie, unsere Gewährleistungsrichtlinien zu beachten.</div><div><div>1. Innerhalb des Garantiezeitraums gewährleisten wir die Reparatur infolge von Problemen mit elektrischen Schaltungen. Von Menschen verursachte Schäden, die beispielsweise auf die Demontage, harte Schläge/Stöße, Untersuchen in Flüssigkeiten, Verbindung mit der falschen Netzspannung oder dem falschen Stromnetz sowie Schäden infolge von Naturkatastrophen, wie Feuer, Flut oder Erdbeben zurückzuführen sind, sind nicht durch die Garantie abgedeckt.</div><div>2.
