

Wired&Wireless Mouse
Model No.:DS-2135-Z
FCC ID: TUVDS2135Z
Work Frequency: 27.045MHz
Rating: DC 2.4V 50mA
Eastern Times Technology Co., Ltd.
Made in China

The image shows a black, ergonomic computer mouse with a wired and wireless design. It features a central scroll wheel, two main buttons, and four small circular sensors (two on the left, two on the right). A ruler is placed horizontally below the mouse for scale, showing measurements in centimeters. The mouse is positioned on a light blue surface.
