

Declaration

I, Benjamin A. Winter, of Leidos Security Detection & Automation, Inc., hereby declare under penalty of perjury that, except for those facts of which official notice may be taken by the Federal Communications Commission ("Commission"), the following facts are true and correct of my own personal knowledge and belief.

1. The Commission granted a waiver to "L-3 Communications Security and Detection Systems, Inc." in ET Docket No. 16-45 (2016 Waiver Order) to permit the certification and marketing of the company's "Next Gen ProVision device" pursuant to the conditions listed in the 2016 Waiver Order.

2. In December 2017, the name of the entity to whom the waiver was granted was changed from "L-3 Communications Security and Detection Systems, Inc." to "L3 Security & Detection Systems, Inc." See attached Certificate from the State of Delaware ("December 2017 Name Change.pdf")

3. In May 2020, the name of the entity to whom the waiver was granted was further changed from "L3 Security & Detection Systems, Inc." to "Leidos Security Detection & Automation, Inc." See attached Certificate from the State of Delaware ("May 2020 Name Change.pdf")

4. Also in May 2020, in May 2020, an update to the Grantee Name for Grantee Code "TUZ" was filed with the Commission in light of a transfer of control of the Grantee. In that Notification, change of the Grantee Name was requested to: "Leidos Security Detection & Automation, Inc." On May 27, 2020, the Commission granted the name change request for Grantee Code "TUZ" to "Leidos Security Detection & Automation, Inc." See attached "TUZ – May 2020 Approval of Grantee Name Change Request.pdf"
