

A photograph of a RouterBOARD LHG 5HPnD, a small, square, silver-colored metal circuit board. The board is mounted on a green printed circuit board (PCB) with several screws. A central blue component, likely a heat sink or a specialized chip, is visible. The board is set against a blue background.

RouterBOARD LHG 5HPnD
FCC ID: TV7LHG5HPND
IC:7442A-LHG5HPND
Model:RBLHG-5HPnD

ID:32271
