Technical drawing of a component with dimensions and an FCC label position indicator. The drawing shows a side view of a component with a vertical section on the left and a horizontal section on the right. The vertical section has a height of .395 and a width of .166. The horizontal section has a length of 1.666. An arrow points to the horizontal section with the text "FCC LABEL POSITION".

Isometric view of the component, showing its three-dimensional shape. It is a rectangular block with a vertical section on the left and a horizontal section on the right, matching the side view.

Front view of the component, showing its width and height. The height is dimensioned as .393. The component has a vertical section on the left and a horizontal section on the right.
