

PIA Compliance Statement for Fortinet AFC Devices

FortiAP-241K and FortiAP-243K utilizes the Qualcomm Technologies Inc. Persistent Inquiry Approval (PIA) solution for geolocation services. In compliance with FCC KDB 987594 D01 requirements, the device is designed to request and obtain authorized frequencies and power levels:

- At system power-up
- At system reset
- At least once every 24 hours of continuous operation

Fortinet confirms that this device adheres to these operational requirements in conjunction with the Qualcomm PIA service.

A handwritten signature in black ink, appearing to read "Andrew Ji".
