RE: ATTESTATION STATEMENT

To Whom It May Concern:

To the best of my knowledge, the relationship between the subject 900 MHz transmitter and the original 900 MHz transmitter as filed under FCC ID# M3R-BV900 has not changed. In other words, the 900 MHz transmitter has not changed with regard to physical characteristics and manufacturing processes.

Should you have any further questions, feel free to contact me at 317-590-8585.

Respectfully submitted,

Anthony Kroot
