Curtis-Straus is initiating a Class II permissive change on behalf of Summit Data Communications, Inc. for the radio module SDC-CF10G with FCC ID: TWG-SDCCF10G.

Class II permissive change is requested because, manufacturer of the above mentioned radio module intends to add two new antennas to their previously approved grant.

Detail description of antennas is presented in antenna exhibits attached with the test report.

Should you have any question please feel free to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read 'MB' followed by a stylized flourish.
