7W = 40W
LED Replacement
Lasts up to
22.8
YEARS

- This package is produced from recycled materials. We plant 5 trees more from a year than we use in the package production.
- During the production or disposal the inks and glues that were used to produce this packages do not have any toxic effects on our environment.
- Using LED light bulbs saves energy, produces less trash and annually saves you time & effort replacing light bulbs.

Caution: The user is cautioned that changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes :
(1) l'appareil ne doit pas produire de brouillage, et
(2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

Radiation Exposure Statement: This equipment complies with FCC and Canada radiation exposure limits set forth for an uncontrolled environment.

Déclaration d'IC sur l'exposition aux radiations: Cet équipement est conforme aux limites d'exposition aux radiations définies par le Canada pour des environnements non contrôlés.

This device complies with Industry Canada's licence-exempt RSSs. Operation is subject to the following two conditions:

- (1) This device may not cause interference, and
- (2) This device must accept any interference, including interference that may cause undesired operation of the device.

1

Made in China

Limited Warranty

Star Technologies warrants that this bulb will be free from defects in material and workmanship and will operate for 25,000 hours. This bulb has a three year Warranty from time of purchase. If it fails or you are not satisfied with its performance, Star will send you a replacement bulb. Please call our toll free number 1-844-STAR-LED, or send a copy of your original purchase receipt, proof of purchase decal from box and the bulb to our customer care center. This replacement is the sole remedy available and liability for incidental or consequential damage is expressly excluded.

Garantía Limitada

Star Technologies garantiza que esta bombilla estará libre de defectos de material y mano de obra y que funcionará por 25,000 horas. Esta bombilla tiene una garantía de tres años desde el momento de la compra. Si falla o si no está conforme con su funcionamiento, Star le enviará una bombilla de reemplazo. Comuníquese con nuestra línea gratuita 1-844-STAR-LED, o envíe una copia de su ticket de compra original, la etiqueta autoadhesiva del comprobante de compra de la caja y la bombilla a nuestro centro de atención al cliente. Este reemplazo es el único recurso disponible y la responsabilidad por daños incidentales o emergentes está expresamente excluida.

!Caution! - DO NOT USE WITH DIMMERS or DIMMING FIXTURES.

• Use only on 120v, 60Hz. • When installing or changing, make sure that the power to the fixture is off. • Suitable for damp locations - the bulb is suitable for use in wet locations when in an outdoor rated fixture • This product is NOT intended for use in emergency light fixtures or exit signs.

¡Precaución! - NO USAR CON ATENUADORES DE LUZ.

• Usar solo con 120v, 60Hz. • Para la instalación o el cambio, asegúrese de que la alimentación del accesorio esté desactivada. • La bombilla es apta para su uso en lugares húmedos cuando se encuentra en un accesorio con capacidad nominal para exteriores. • Este producto NO está diseñado para su uso en accesorios de iluminación de emergencia o señales de salida.
