|----|---------------------------------|
| 1  | Antenna Enclosure Cover Nylon   |
| 2  | Antenna Enclosure Nylon         |
| 3  | Controler Enclosure Nylon       |
| 4  | Controler Enclosure Cover Nylon |
| 5  | Antenna - Controler Wire        |
| 6  | Antenna BCB                     |
| 7  | Controler PCB                   |
| 8  | Controler - Battery Connector   |
| 9  | Potting material - EPOXY        |
| 10 | Lable                           |

Note :

- Overall dimensions may be smaller
- Controler enclosur is sealed With EPOXY
- Antenna enclosur is sealed With EPOXY
- Minimum wall thickness is 1 mm

Lable drawing Notes :

- Revision and Serial Number are on additional Label
- Raw material type 346T-J1 by World mark UK Ltd.  
Pressure sensitive. No metal layers
