Federal Communications Commission
7435 Oakland Mills Road
Columbia, MD 21046

To whom it may concern:

MagTek Inc., hereby requests a Permissive Change Class II of the radio equipment certification for the **DynaFlex II GO** certification number, FCC ID: U73-21074YXX. MagTek Inc. is requesting PCII Certification for a host specific portable exposure configuration. This product differs from the originally approved product in the following manner:

- (a) Associated digital circuitry. – No Change
- (b) Functional capabilities. – No Change
- (c) Antenna Characteristics. – No Change
- (d) Cosmetic differences – The Module is placed inside our device.
- (e) The original Module is unchanged. It has been placed within our Device.

I do attest that the Field strength and/or RF Output readings remained the same or are lower than the originally approved product and that they did not increase therefore qualifying this product for this application type.

Sincerely,

A handwritten signature in black ink, appearing to read "Kevin Gin".

Kevin Gin
Senior Electrical Engineer
MagTek Inc.

Note: Signature is subject to FCC's authorized individual policy KDB 852134; signature must be the named grantee or an authorized delegate.
