Re: Focus Enhancements Certification Application
FCC ID: HOWTT6001

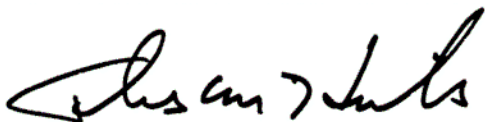

To Whom It May Concern:

A portion of the data contained in this application is to be considered a trade secret and not to be made routinely available to the public.
If such information were to be made public, it might be used to the disadvantage of Focus Enhancements (the applicant) in the market place.

Therefore, pursuant to 47 CFR § 0.459 and 47 CFR § 0.457(d) of the FCC Rules, we request that the information listed below be withheld from public inspection:

- Schematics
- Block Diagrams
- Bill of Materials
- Internal Photos of the unit submitted for tests

Thank you for your attention to this matter.
Sincerely,

Thomas M. Hamilton
Executive Vice President and General Manager, Semiconductor Group
