Re: Request for confidentiality per Section 0.459 of FCC Rules

Applicant: RevFire Corporation
FCC ID: UDJ-T1

To whom it may concern,

Request is hereby submitted by RevFire Corporation to withhold from public review certain portions of the application for equipment certification for the RevFire T1 Transmitter (FCC ID: UDJ-T1). In particular, the following sections of the application and report are requested to be kept confidential:

- Schematics
- Bill of Material
- Block diagrams
- Operational/Functional Description
- Internal photos

Rationale for request for confidentiality:

RevFire wishes to keep these items confidential to maintain a competitive advantage in the marketplace. It is requested that the Internal Photos also not be released - the RevFire T1 transmitter will be permanently bound inside of baseballs and softballs and will not be accessible using common hand tools.

The \$145 fee for confidentiality has been submitted along with the fee for certification. If you have questions or need further information, please contact the undersigned.

Sincerely,

A handwritten signature in black ink, appearing to read "Dave Marmelli", written over a horizontal line.
