June 23, 2026

Declaration of Professional Installation

Federal Communications Commission
7435 Oakland Mills Road
Columbia, MD 21046

FCC ID: UDX-SPACES-CT-UB
Product Name: Cisco Asset Tag

To whom it may concern:

We, Cisco Systems, Inc., hereby declare that the device will not be employ a fixed infrastructure and will be distributed through controlled distribution channels. This device is not marketed or distributed for consumer use. This product is intended solely for installation and operation by trained professionals Professional training and support are provided as part of an authorized partner program.

In addition, as described in the product installation guide, this device is intended to be installed on movable equipment systems such as medical carts or other portable devices and operating as a mobile device and meets FCC Part 15.519 requirement. The installation guide illustrates various mounting methods, including adhesive attachment, zip tie or pole mounting, and bracket installation, enabling deployment on different types of equipment.

The device is designed to support asset tracking and location-based services within controlled environments. Due to its intended use on movable systems and the requirement for proper installation and configuration, the device is not intended for general consumer use and must be installed and maintained solely by trained professional personnel.

If you have any questions regarding this declaration, please feel free to contact us.
