Subject: Requesting Class II permissive change for FCC ID: UFOOPA3201

To Whom It May Concern:

The purpose of this letter is to request a Class II Permissive change for
FCC ID: UFOOPA3201, original granted on 11/12/2014.

The difference with original product is change the capacitance and inductance
between RF chip and antenna.

Please contact me if you have any questions or need further information
regarding this application.

Best Regards
