Re: Dismissal Request

Hello,

Please DISMISS the FCC application for the following FCC ID:

UI3S1613-01

TC474853

and

TC170069

Uploaded by American TCB.

A recent interpretation by the Commission means this cannot be issued by a TCB, thus the client lab wishes to upload the application directly to the FCC.

They cannot do this until this application is dismissed.

Thank you,
