Tutti i modelli di prossimità sono "Receiver Class 3"

ONLY FOR PROXIMITY MODELS

This device complies with Part 15 of the FCC Rules and with Industry Canada licence-exempt RSS standard(s). Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

FCC Compliance Statements

(FCCID: UKCAE9, UKCAE9W, UKCL90, UKCG90, UKCRPOE, UKCNRF, UKCR485, UKCA9XX, UKCA9XW)

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Canadian Compliance Statement

(IC: 10088A-AE9, 10088A-AE9W, 10088A-L90, 10088A-G90, 10088A-RPOE, 10088A-NRF, 10088A-R485, 10088A-A9XX, 10088A-A9XW)

This device complies with Industry Canada licence-exempt RSS standard(s). Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes : (1) l'appareil ne doit pas produire de brouillage, et (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

Mechanical Warnings

In order to assure a good performance for the device, Salto recommends to use a certified mortise lock and make sure that it is in good condition. Do not knock the device while mounting, if necessary, loose the trims fixation. Do not bring the device into contact with oil, paints or acids. Do not paint the door with the mortise lock fixed to the door.

CLEANING THE ELECTRONIC FURNITURE: You can use a damp cloth from soapy water. Never use abrasive soaps or sprays. It is important to clean stainless steel regularly.

Legal Warnings

SALTO shall not be liable for any losses, personal damages or claims arising out of, or in connection with the wrong fitting of the cylinders or bad programming that can cause blocking of entries and exits i.e. blocking entrance, exit of Injured or people in danger.

Do you have the programming keys or management software (not included in this box)? If not, then take note that when the door is closed without having been programmed it will automatically lock, and can only be opened with a Portable Programming Device. If in any doubt, please contact your supplier or visit our Web site: www.saltosystems.com

According to the fourth point on the SALTO SYSTEMS LIMITED WARRANTY document, the warranty does not cover product failures due to repair installations, modifications or improper service performed by non-Salto authorised persons. The user is not allowed to disassemble the inner electromechanic structure in the SALTO furniture. (for instance, loosening the torx screws) In the case of a user intended intervention at the inner parts, the user will lose any warranty right from SALTO.
