DMxx.. series

Paired! The inside and outside esutcheons are paired, and will not work if you switch it in a different inside or outside esutcheon. | Les ensembles plaque-béquilles intérieurs et extérieurs sont appariés et ne fonctionneront pas si jamais ils sont connectés à d'autres ensembles différents. | Los esudos interior y exterior están emparejados, y no funcionarán si los conecta a un escudo interior o exterior diferente.

WOOD DOORS
RFDCTW30W01
