Subject: Permanent Confidentiality request for FCC ID: UPO308-0007-2

To whom it may concern

Pursuant to sections 0.457(d) and 0.459 of CFR 47, the applicant requests permanent confidential treatment of the following information accompanying this application:

- Operational Description

Zinwave has spent substantial effort in developing this product and it is one of the first of its kind in industry. Having the subject information easily available to "competition" would negate the advantage they have achieved by developing this product. Not protecting the details of the design will result in financial hardship.

It is our understanding that all measurement test reports, FCC ID label format and correspondence during the certification review process cannot be granted as confidential documents and this information will be available for public review once the grant of equipment authorization is issued.

Yours Sincerely

Charlie Blackham
Director
