UK

RE: Declaration of Similarity
FCC ID: UTJ-RX60

To Whom It May Concern:

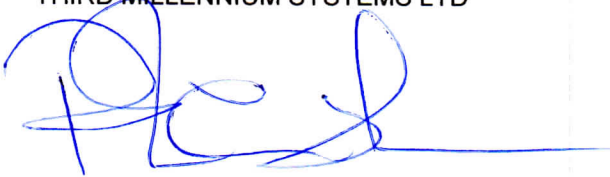

Please be advised that the models RX160, RX1K60, RX260, RX360, RX3K60 and RX460 are electronically identical, all RF measurements and test results are exactly the same.

The differences between the RX160, RX260, RX360 and RX460 are purely cosmetic with a different style moulding. The differences between the RX1K60, RX3K60 and the other models are the addition of a keypad and the cosmetics of the moulding.

As per the Class II Change request the RX1K60, RX360 and RX3K60 are all variants of the RX160, with cosmetic changes as detailed above.

Thank you for your attention to this matter.

Yours faithfully
THIRD MILLENNIUM SYSTEMS LTD

Mr Paul Grimshaw
Operations Manager
